

# CREATING IBM CLOUD SERVICE

Date	16 NOVEMBER 2022
Team ID	PNT2022TMID41890
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'Vaishnavi K's Account'. A 'Create resource' button is prominently displayed. The main content area, titled 'For you', features a grid of recommended actions: 'Build' (exploring easy starter tutorials), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Learn about IAM Roles' (5 min). Each card includes a brief description and a 'Getting started' button. The bottom navigation bar contains links for 'User access', 'Manage users', 'News', 'View all', and 'Planned maintenance'. The browser's taskbar at the bottom shows several open PDF files related to the project.

An IBM Cloud Service created Successfully .
